Bizzy & Jomanda BRAHMAN SALE

WELCOME TO THE BIZZY & JOMANDA BRAHMAN SALE

Welcome to the Bizzy and Jomanda Brahman Sale 2019. We have joined together to offer a great line up of Brahman Bulls and Brahman Heifers on 7th September 2019 and Open Day 25th August 2019. The cattle on offer have industry leading genetics and are born, raised and acclimatized to coastal environments with the proven ability to perform in all areas.

Jomanda Brahmans was established in 1989, by Max and Dawn Johnson. Both red and grey Brahman cattle have been successfully developed and bred on coastal country only 5 minutes east of Grafton. The stud is a family operation, currently run in conjunction with son and daughter in law, Colin and Katrina Johnson and family. Over this period we feel that we have achieved many important goals but the challenge to produce acceptable, functional, easy doing Brahman cattle that fit the commercial beef industry's requirements is our ongoing target. To reach these objectives we have introduced genetics from Australia and imported bloodlines as well as using all forms of artificial breeding. Estimated breeding values (EBV's) are also available on all our cattle. Jomanda bulls and females have been keenly sort by leading stud and commercial producers throughout the Eastern States of Australia. 'Quality, rather than Quantity', was and still is our motto in this very demanding Beef Industry.

Bizzy Brahmans was established in 1974, by Michael and Elizabeth Fahey and family and operate from 'Nettle Creek' on the Clarence River, 30mins outside Grafton. The Bizzy Stud has a long history in the industry of breeding quality stud and commercially focused Brahman Bulls, both reds and greys. Over many years, Bizzy Brahmans have strived to continually improve fertility and milk in their female herd while maintaining and developing the 'easy doing' ability and carcass qualities that Bizzy bulls are renowned for. This year's bulls are an excellent line, presenting in good, healthy condition and with the temperament, thickness, topline and carcass qualities that are needed to produce quality, efficient cattle out of any female line/breed chosen to improve.

As Mike and Elizabeth take a step back from the management of Bizzy Brahmans, they are excited to see the next generation go forward and work with the quality cattle that they have spent a lifetime producing. They encourage long term clients and new clients to drop in and visit them for inspections, any time. Daughter, Alice Edwards, Son in law Matt Edwards and Bizzy Brahmans Stud Manager, Innes Fahey and families are working hard to use the latest technology in AI and embryo transfer, to continue to improve the genetics and the efficiency of the Bizzy herd. We invite current clients and any new clients, to discuss their breeding/marketing options of the progeny of Bizzy Bulls with Matt, Alice or Innes as well as with our Sale Agents. Hope to see you at our Open Day on the 25th August, at our respective Studs. Good luck with your purchases and we thank you for your continued support.

Regards

Bizzy and Jomanda Studs

As with last year, in addition to Ray Donovan & George & Fuhrmann Auctioneers, we will be using Elite Livestock Auctions who permit you to bid online whilst viewing the auction at the one and same time the auction is taking place, allowing bidders to remain in the comfort of their own homes or office when purchasing the bulls on offer.

Elite Livestock Auctions offers the following convenient bidding options:

- Bid online in real time at the Bizzy & Jomanda Brahman Sale from any location worldwide, simply by logging in using your desktop computer, laptop, iPad or iPhone.
- In person at the Sale on Saturday 1st September. Anyone can register and bid in person on the day.
- Phone bidding is available for remote clients with limited internet access.

If you have any questions or would like to discuss bidding through the online platform, please do not hesitate to contact Elite Livestock Auctions on 1300 15 31 35. It is preferable to contact Mr. Chris Norris at Elite Livestock Auctions a few days before the Bizzy & Jomanda Brahman Sale.

STUD STOCK AUCTION
TERMS AND CONDITIONS OF SALE

IMPORTANT NOTICE: All bids shall be treated as offers made upon the following Terms and Conditions of Sale and all persons present are admitted to attend the sale on the basis that they have notice of these Terms and Conditions.

1. The highest bidder shall, subject to Condition 2, be the Purchaser provided that the Vendor reserves the right to bid either by himself or through his Agent or Auctioneer and should any dispute arise among the bidders for any lot, during or immediately after the sale of the lot, it shall be settled at the Auctioneers absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the Auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bid by the Vendor who will immediately after the fall of the hammer declare "Sale" or "No Sale". Should the Vendor reject the bid of the highest bidder such bidder will have the right of first refusal of the lot at the Vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the Purchaser, the purchase price and the lot sold as recorded by the sale clerk for and on behalf of the Auctioneer shall be equally binding on both Purchaser and Vendor.
4. The Auctioneer expressly reserves the right, without giving any reasons therefore, to:-
   (a) Refuse to acknowledge any bid;
   (b) Withdraw any lot or lots before or during the sale;
   (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the Purchaser upon acceptance of his bid by the Vendor or upon acceptance of the highest bidder's offer by the Vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these Conditions as to pedigree, sex, age, breeding condition or otherwise howsoever, and no guarantee, warranty or condition whatsoever shall be implied from any affirmation made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the Vendor or by the Auctioneer acting as agent for the Vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:
   (i) The Purchaser shall nevertheless be obliged to pay to the Auctioneer the full purchase price and any other monies or interest payable by the Purchaser in accordance with these terms and conditions;
   (ii) The Vendor and the Purchaser shall resolve the dispute between themselves;
   (iii) The Auctioneer shall have no liability or responsibility in regard to the dispute; and
   (iv) No lot shall be returned to the Auctioneer and the Purchaser shall indemnify the Auctioneer for all costs, expenses and damages which the Auctioneer is put to or incurs by reason of the Purchaser so doing.
8. The name of the Vendor for whom the Auctioneer acts is acknowledged to have been furnished to Purchasers prior to the sale and further particulars will in all cases be furnished to a Purchaser if required. In the case of any disputes the remedy of the Purchaser shall be against the Vendor only and in no case or under any circumstances against the Auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.

9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the Auctioneer the full purchase price for each lot shall be due and payable to the Auctioneer in cash upon acceptance of the highest bid or the highest bidder's offer by the Vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the Purchaser until the full purchase price and all cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated, and until property shall pass, the Purchaser shall hold such lot as bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the Auctioneer reserves the right to:
    (i) Rescind the contract on behalf of the Vendor and repossess and resell any lot;
    (ii) Recover from the Purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate plus two percentum. For the purposes of this condition, the expression "the AMBA Bill Rate" is the rate published by the Australian Merchant Bankers Association in good faith as at the date of the sale as its bill rate for 180 day bills of exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the Auctioneer shall determine and advise the Purchaser of the interest rate to apply for the purposes of this condition.

(b) The Auctioneer is selling as the del credere agent of the Vendor and the full purchase price of any lot sold shall be payable by the Purchaser to the Auctioneer and be fully recoverable by the Auctioneer in its own name.

10. If the Purchaser shall neglect or fail to comply with any of the within conditions, any lot purchased by him may be immediately resold by public auction or private contract, with or without notice, at the risk of the former Purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.

11. Any Vendor or Purchaser removing the sale number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damage should the lot be wrongly delivered.

12. The Purchasers, if any more than one, shall be jointly and severally bound by these Terms and Conditions, and shall jointly and severally carry out and perform same.

13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the Vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the Vendor or Auctioneer, provided however, that this Condition shall not in any way negate the Vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.

14. The Auctioneer may, should it think fit, make arrangements on a Purchaserís behalf for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the Auctioneer and all such service will be at the Purchaser's risk and expense.

15. No lot will be delivered until the sales invoice has been checked and signed by the Purchaser or his duly authorised representative.

16.(a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trade Practices Act or any applicable State legislation which cannot be contractually excluded and excepting conditions and warranties expressly contained in these Terms and Conditions of Sale, any express or implied condition, statement of warranty, statutory or otherwise, is hereby excluded. The Auctioneer is not liable in respect of any error, misdescription or omission in any particulars appearing or stated regarding the description of pedigrees of any lot offered for sale and no such error, misdescription of omission shall entitle the Purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.

(b) Each lot will be sold subject to passing all veterinary tests required by the law of the state or country to which the Purchaser intends to transport that particular lot, such tests to be undertaken at the Purchaserís expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the Purchaser shall be refunded and property in the lot shall revert to or remain with the Vendor.

17. Guarantees of Fertility:-

(1) BULLS - Save and except for calves at foot, all bulls are guaranteed breeders and to so prove by the later of:
    (a) six months after the date of sale or
    (b) the animal reaching the age of 30 months

(2) FEMALES - Save and except for female calves at foot, all females are guaranteed to be in calf or go into calf by the later of:
    (a) 6 months of the date of sale
    (b) the animal reaching the age of 30 months

A positive pregnancy test certified by a qualified veterinary surgeon shall be sufficient evidence that the animal is in calf.

(3) Claims under Clauses 17(1) and 17(2). A claim that an animal has failed to satisfy a guarantee of fertility under Clause 17(1) or 17(2) must be made to the Vendor within the relevant guarantee period but prior to the animal entering a quarantine area other than on the Vendor's property.
    (a) All claims must be accompanied by a certificate from a registered veterinarian surgeon in accordance with the guidelines established by the Australian Association of Cattle Veterinarians which must clearly identify the basis of the claim.
    (b) Subject to Clause 17(9), infertility resulting from injury or disease occurring after the sale of the animal is not covered by this guarantee.
    (c) The Vendor retains the right to have the animal placed on a property nominated by him or returned to his own property for further assessment of fertility for a period not exceeding six months. If the animal proves fertile within the period such status must be confirmed by a certificate issued by a registered veterinary surgeon in accordance with the guideline established by the Australian Association of Cattle Veterinary and costs incurred must be borne by the Purchaser. If the animal not proven fertile within the period, the costs incurred must be borne by the Vendor.

(4) LIABILITY OF A VENDOR - Except for costs defined elsewhere in the conditions of sale, the liability of a Vendor in respect of claims relating to fertility shall not exceed the purchase price of the animal(s) or provide mutually agreed upon replacement animal(s).

(5) In the event of a claim being substantiated:
    (a) The purchase price shall be refunded within 14 days unless a mutually agreed upon replacement animal has been provided.
    (b) The animal/s which are the subject of the claim and any stocks of stored semen shall automatically become the property of the vendor and be returned to him or disposed of according to his instructions at his expense.

(6) Subject to Clause 17(9), this guarantee is of no effect if:
    (a) The animal is returned to the Vendor.
        (i) In poor physical condition or with any injury;
        (ii) Tests carried out on behalf of the Vendor within fourteen days of such return proved positive to any diseases which may affect the animal's fertility or ability to breed naturally; or
    (b) The Purchaser has collected and stored embryos from a female.

(7) In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the Vendor and the Purchaser and the Auctioneer, while he will use his best endeavours to assist, shall have no liability or responsibility in that regard. If an animal is alleged or proved not to be a breeder, the Purchaser must nevertheless pay the Auctioneer the full purchase price and any other monies or interest payable by the Purchaser in accordance with these Terms and Conditions.

(8) EVIDENCE OF FERTILITY - A Certificate issued by a registered veterinary surgeon at or before the time of sale than an animal is fertile (unless it is a certificate stating in respect of a female that she is in calf at the time of sale) does not, of itself, satisfy or discharge the Vendorís obligations under the guarantee of fertility given under this Clause 17. All animals, except calves at foot, must prove their fertility within the relevant guarantee period.

(9) RELIEF FROM GUARANTEE - If the Vendor seeks to be relieved from the obligations which would otherwise be imposed upon him by this clause by virtue of Clauses 17(3)(b) or 17(6)(a), the onus of proof is upon the Vendor to establish that:

(a) The animal suffered the injury or disease or is in poor physical condition due to circumstances and events occurring after the sale, and

(b) The injury, disease of physical condition is the sole cause of the animal's infertility or failure to prove fertility within the guarantee period.

(10) DEFINITION - For the purpose of this Clause 17, the expression "guarantee period" means:

(a) in relation to bulls - the period specified in Clause 17(1) as being the period in which the bull must prove his fertility; and

(b) in relation to females - the period specified in Clause 17(2) as being the period in which the female must go into calf.

18.(a) Each lot shall be at the risk of the Vendor in respect of any damage or injury, whether by disease, accident or otherwise, or whether caused by the negligence of the Auctioneer for the period that the lot be in the custody of the Auctioneer, unless such lots shall have been sold in which latter case such lot shall be at the risk of the Purchaser in all such respects.

(b) If any Vendor brings to the sale premises any lot which is dangerous, or infected with any disease, that Vendor shall be liable for all injury, damages, costs, losses or expenses which the Auctioneer may sustain, incur or be put to either directly or indirectly as a result of the Vendor so doing. The Auctioneer reserves the right, at its absolute discretion, to exclude from the sale, or put out of the sale venue or dispose of, any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.

19. DELIVERY - Except at the discretion of the Auctioneer no lot shall be delivered to the Purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the Auctioneer pursuant to Condition 14 hereof, is first made by the Purchaser to the Auctioneer. Release of lots may be withheld by the Auctioneer until personal cheques are cleared.

20. In these Conditions:-

(a) References to "Auctioneer" shall be taken to mean as the context so admits, the Selling Agent or any member, subsidiary or related corporation or body, officer, agent or employee thereof, authorised by the Vendor to conduct the sale of the lot;

(b) "Purchaser" shall have the meaning ascribed to it in Condition 1;

(c) "Vendor" shall mean the person or corporation upon whose account lots are offered for sale and where a stud or farm is named shall mean the proprietor of that stud or farm;

(d) "Lot" shall be taken to mean the animal offered for sale and/or sold by the Auctioneer on behalf of a Vendor.
